Flash cards/Mythology Card Game

The flash cards demonstrate various characters and events from Greek mythology. The creators note that the card game offers a review for content-based units using Greek myths. The teachers are advised to print two copies of the cards and paste on posterboard to make a deck of cards to play Go Fish, review the vocabulary, or play Memory.

Further comments

There are 11 sets of cards. The cards include mythological heroes and characters such as Achilles, Odysseus, Olympian gods, Daphne, Arachne.
